Asst. Commissioner of Patents and Trademarks Washington, DC 20231

Dear Sir:

The Examiner's attention is hereby directed to the following reference(s) listed on the attached Form PTO-1449 for consideration in connection with the examination of the aboveidentified patent application. The references cited on the attached PTO form 1449 were considered by the Examiner in the course of prosecution of the parent application, for the instant above-entitled continuation-in-part application. Copies of the references will be submitted upon request.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the enclosed documents constitute "prior art." If it should be determined that any of the submitted documents do not constitute "prior art" under United States law, applicant(s) reserve the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicant(s) further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the enclosed references, should one or more of the references be applied against the claims of the present application.

Respectfully submitted,

Kees van der Sterre Registration No. 25,938 Corning Incorporated
